

2017-18 Course Code Correlations

Updated May 10, 2017

This document contains some of the information included on the full 2017-18 course code correlations Excel sheet. It is provided for districts or personnel who wish to print the correlations rather than use Excel. The columns on course status, preliminary reporting, and CTE funding are NOT included in order to enable this document to better fit on letter-sized paper. Please refer to the correlations Excel sheet to access that information. This information is organized by course type.

Course Code	Course Title	Course Name Abbrev.	Course Type	Course Meets Grad. Req.?	Grades Served	Endorsement Codes	General Notes and Training Requirements
9390	Alternative School/Program (Grades 9-12)	Alt S/P	Alternative	N/A	9-12	Any early childhood, elementary, secondary, Career and Technical, or K-12 endorsement.	
9690	Alternative School/Program (Grades K-8)	Alt S/P	Alternative	N/A	K-8	Any early childhood, elementary, secondary, Career and Technical, or K-12 endorsement.	
9695	Alternative School/Program (Grades 6, 7, and 8)	Alt S/P	Alternative	N/A	6-8	Any early childhood, elementary, secondary, Career and Technical, or K-12 endorsement.	
9696	Individualized Education Account Program	IEA Program	Alternative	N/A	K-12	All students in this course must be enrolled in the Individualized Education Account Program administered by the Tennessee Department of Education.	For more information on how to report students enrolled in the IEA Program in EIS, please go to the IEA webpage: http://www.tn.gov/education/section/iea
9210	Office and Administration	ADM	Assistant Principal	N/A	9-12	441, 442, 443, 444, 481, 482, 483	Assistant principals, teaching principals, or dual assignment personnel with more than 50 percent of their responsibilities involved in instructional leadership must hold an administrator license/endorsement.

9211	Office and Administration (School with pre-K program)	ADM	Assistant Principal	N/A	Pre-K, 9-12	441, 442, 443, 444, 481, 482, 483	Assistant principals, teaching principals, or dual assignment personnel with more than 50 percent of their responsibilities involved in instructional leadership must hold an administrator license/endorsement.
9505	Office and Administration (Grades pre-K-3)	ADM	Assistant Principal	N/A	Pre-K-3	441, 442, 443, 444, 481, 482, 483	Assistant principals, teaching principals, or dual assignment personnel with more than 50 percent of their responsibilities involved in instructional leadership must hold an administrator license/endorsement.
9510	Office and Administration (Grades K-8)	ADM	Assistant Principal	N/A	K-8	441, 442, 443, 444, 481, 482, 483	Assistant principals, teaching principals, or dual assignment personnel with more than 50 percent of their responsibilities involved in instructional leadership must hold an administrator license/endorsement.
9511	Office and Administration (School with pre-K program and grades K-8)	ADM	Assistant Principal	N/A	Pre-K-8	441, 442, 443, 444, 481, 482, 483	Assistant principals, teaching principals, or dual assignment personnel with more than 50 percent of their responsibilities involved in instructional leadership must hold an administrator license/endorsement.
9518	Office and Administration (Grades 6, 7, and 8)	ADM	Assistant Principal	N/A	6-8	441, 442, 443, 444, 481, 482, 483	Assistant principals, teaching principals, or dual assignment personnel with more than 50 percent of their responsibilities involved in instructional leadership must hold an administrator license/endorsement.
9519	Office and Administration (School with pre-K program and grades 6, 7, and 8)	ADM	Assistant Principal	N/A	Pre-K, 6-8	441, 442, 443, 444, 481, 482, 483	Assistant principals, teaching principals, or dual assignment personnel with more than 50 percent of their responsibilities involved in instructional leadership must hold an administrator license/endorsement.
0045	Computer Literacy (Self-Contained)	Comp Tech SC	Computer Technology	N/A	K	002, 120, 402, 403, 467, 468, 497, 499

31023	Algebra 1-Extended Scheduling Part 1	Alg 1 ES1	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards	Report as Course Code 31023. Students will earn elective credit only for Algebra I-Extended Scheduling Part 1. The math credit is awarded with the Algebra I-Extend Credit Part 2 Course. Students must complete Both Extended Scheduling Part 1 and 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn elective math credit for Algebra I-Extended Scheduling Part 1. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31024	Algebra 1-Extended Scheduling Part 2	Alg 1 ES2	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards	Report as Course Code 3102. Students will earn elective credit only for Algebra 1-Extended Scheduling Part 1. The math credit is awarded with the Algebra I-Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn math credit for Algebra I-Extended Scheduling Part 2. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31025	Algebra I A	Alg 1 A	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Report as Course Code 31025. Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Core Math I and Core Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra I A and Algebra I B as well as math credit for Geometry A and Geometry B. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) or met the applicable TN Employment Standards (http://www.tn.gov/sos/rules/0520/0520-01/0520-01-02.20080926.pdf) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31026	Algebra I B	Alg 1 B	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Report as Course Code 3102. Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Core Math I and Core Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra I A and Algebra I B as well as math credit for Geometry A and Geometry B. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) or met the applicable TN Employment Standards (http://www.tn.gov/sos/rules/0520/0520-01/0520-01-02.20080926.pdf) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31033	Algebra II-Extended Scheduling Part 1	Alg 2 ES1	Mathematics	Core Course	9-12	013, 125, 413	<p>Students will earn elective credit only for Algebra II-Extended Scheduling-Part 1. The math credit is awarded only with Algebra II-Extended Scheduling Part 2. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn for elective credit Algebra II-Extended Scheduling Part 1. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).</p>
31034	Algebra II-Extended Scheduling Part 1	Alg 2 ES2	Mathematics	Core Course	9-12	013, 125, 413	<p>Students will earn elective credit only for Algebra II-Extended Scheduling-Part 1. The math credit is awarded only with Algebra II-Extended Scheduling Part 2. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn math credit for Algebra II-Extended Scheduling Part 2. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).</p>
31083	Geometry-Extended Scheduling Part 1	Geom ES1	Mathematics	Core Course	9-12	013, 125, 413	<p>Report as Course Code 31083. Students will earn elective credit only for Geometry Extended Scheduling Part 1. The math credit is awarded with the Geometry-Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn elective math credit for Geometry-Extended Scheduling Part 1. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).</p>

31084	Geometry-Extended Scheduling Part 2	Geom ES2	Mathematics	Core Course	9-12	013, 125, 413	Report as Course Code 3108. Students will earn elective credit only for Geometry-Extended Scheduling Part 1. The math credit is awarded with the Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn math credit for Geometry-Extended Scheduling Part 2. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31085	Geometry A	Geom A	Mathematics	Core Course	9-12	013, 125, 413, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Report as Course Code 31085. Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Core Math I and Core Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra I A and Algebra I B as well as math credit for Geometry A and Geometry B. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31086	Geometry B	Geom B	Mathematics	Core Course	9-12	013, 125, 413, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Report as Course Code 31086. Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Core Math I and Core Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra I A and Algebra I B as well as math credit for Geometry A and Geometry B. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31323	Integrated Mathematics I-Extended Scheduling Part 1	Integrated Mathematics I ES1	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards	Students will earn elective credit only for Integrated Mathematics I-Extended Scheduling Part 1. The math credit is awarded with the Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn elective math credit for Integrated Mathematics I-Extended Scheduling Part 1. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31324	Integrated Mathematics I-Extended Scheduling Part 2	Integrated Mathematics I ES2	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards	Students will earn elective credit only for Integrated Mathematics I-Extended Scheduling Part 1. The math credit is awarded with the Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn math credit for Integrated Mathematics I-Extended Scheduling Part 2. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31325	Integrated Mathematics I A	Integrated Mathematics IA	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Integrated Math I and Integrated Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra 1A and Algebra 1B as well as math credit for Geometry A and Geometry B or their equivalents. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) or met the applicable TN Employment Standards https://www.tn.gov/assets/entities/sbe/attachments/10-31-14%20III_B_Algebra_I_Employment_Standard.pdf) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31326	Integrated Mathematics I B	Integrated Mathematics IB	Mathematics	Core Course	9-12	013, 125, 413, or met employment standards, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Integrated Math I and Integrated Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra 1A and Algebra 1B as well as math credit for Geometry A and Geometry B or their equivalents. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) or met the applicable TN Employment Standards (https://www.tn.gov/assets/entities/sbe/attachments/10-31-14%20III_B_Algebra_I_Employment_Standard.pdf) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31333	Integrated Mathematics II-Extended Scheduling Part 1	Integrated Mathematics II ES1	Mathematics	Core Course	9-12	013, 125, 413	Students will earn elective credit only for Integrated Mathematics II-Extended Scheduling Part 1. The math credit is awarded with the Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn elective math credit for Integrated Mathematics II-Extended Scheduling Part 1. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31334	Integrated Mathematics II-Extended Scheduling Part 2	Integrated Mathematics II ES1	Mathematics	Core Course	9-12	013, 125, 413	Students will earn elective credit only for Integrated Mathematics II-Extended Scheduling Part 1. The math credit is awarded with the Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn math credit for Integrated Mathematics II-Extended Scheduling Part 2. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31335	Integrated Mathematics II A	Integrated Mathematics IIA	Mathematics	Core Course	9-12	013, 125, 413, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Integrated Math I and Integrated Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra 1A and Algebra 1B as well as math credit for Geometry A and Geometry B or their equivalents. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31336	Integrated Mathematics II B	Integrated Mathematics IIB	Mathematics	Core Course	9-12	013, 125, 413, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462	Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Algebra I and Geometry (or equivalents - Integrated Math I and Integrated Math II). The required number of credits in math will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. These students may earn mathematics credit for Algebra 1A and Algebra 1B as well as math credit for Geometry A and Geometry B or their equivalents. An appropriately endorsed Special Education teacher who has earned a passing score on the Secondary Math Praxis II Test (5161) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record and award credit to regular education and special education students; however, someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).
31343	Integrated Mathematics III-Extended Scheduling Part 1	Integrated Mathematics III ES1	Mathematics	Core Course	9-12	013, 125, 413	Students will earn elective credit only for Integrated Mathematics III-Extended Scheduling Part 1. The math credit is awarded with the Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn elective math credit for Integrated Mathematics III-Extended Scheduling Part 1. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

31344	Integrated Mathematics III-Extended Scheduling Part 2	Integrated Mathematics III ES2	Mathematics	Core Course	9-12	013, 125, 413	Students will earn elective credit only for Integrated Mathematics III-Extended Scheduling Part 1. The math credit is awarded with the Extended Scheduling Part 2 course. Students must complete Both Extended Scheduling Part 1 and and Part 2 within the same academic year (fall, spring and summer). Students with qualifying disabilities as documented in the IEP may earn math credit for Integrated Mathematics III-Extended Scheduling Part 2. An appropriately endorsed regular education teacher may serve as the teacher record and award credit to regular education and special education students; however someone from the Special Education staff must work with the teacher to support the SWDs (inclusive setting).

32103	Biology I-Extended Scheduling Part 1	Biol 1 ES1	Science	Core Course	9-12	015, 126, 211, 415	Report as Course Code 32103. Students will earn elective credit only for Biology 1, Part 1. This course cannot be used to fulfill the third lab science graduation requirement. The science graduation credit is awarded with the Biology I, Part 2 (32104) course. Students with qualifying disabilities as documented in the IEP may earn science credit for Biology 1A under course code 32105.
32104	Biology I-Extended Scheduling Part 2	Biol 1 ES2	Science	Core Course	9-12	015, 126, 211, 415	Report as Course Code 3210. Students will earn elective credit only for Biology 1, Part 1 (32103). The science credit is awarded with the Biology I Part 2 (32104) course.

32105	Biology I A	Biol 1 A	Science	Core Course	9-12	126, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462, 015, 211, 415	Report as Course Code 32105. Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Biology 1 and two other lab science credits. The required number of credits in science will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. Only one other additional lab course is needed if Biology 1A and 1B are taken for credit. An appropriately endorsed Special Education teacher who has earned a passing score on the Biology Praxis II Test (5235) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record for special education students however someone from the Special Education staff must work with the regular education teacher to support these students (collaborative or consultative setting).
32106	Biology I B	Biol 1 B	Science	Core Course	9-12	126, 460, 461, 105, 067, 063, 463, 064, 065, 108, 462, 015, 211, 415	Report as Course Code 3210. Students with qualifying disabilities as documented in the IEP shall be required to achieve at least Biology 1 and two other lab science credits. The required number of credits in science will be achieved through increased instructional time, appropriate methodologies, accommodations and other differentiated instruction as determined by the IEP team. Only one other additional lab course is needed if Biology 1A and 1B are taken for credit. An appropriately endorsed Special Education teacher who has earned a passing score on the Biology Praxis II Test (5235) may serve as the teacher of record. An appropriately endorsed regular education teacher may serve as the teacher of record for special education students however someone from the Special Education staff must work with the regular education teacher to support these students (collaborative or consultative setting).
32213	Chemistry I A	Chem 1 A	Science	Core Course	9-12	016, 127, 212, 416	Report as Course Code 32213. Students will earn elective credit only for Chemistry I A. The science credit is awarded with the Chemistry I B course.
32214	Chemistry I B	Chem 1 B	Science	Core Course	9-12	016, 127, 212, 416	Report as Course Code 3221. Students will earn elective credit only for Chemistry I A. The science credit is awarded with the Chemistry I B course.
32313	Physics 1 A	Physics 1 A	Science	Core Course	9-12	017, 129, 214, 414, 417	Report as Course Code 32313. Students will earn elective credit only for Physics 1 A. The science credit is awarded with the Physics 1 B course.

32314	Physics 1 B	Physics 1 B	Science	Core Course	9-12	017, 129, 214, 414, 417	Report as Course Code 3231. Students will earn elective credit only for Physics 1 A. The science credit is awarded with the Physics 1 B course.
